

REMARKS

In response to the notice of non-compliant amendment, the Applicants believe that the claims as presented are in compliance with 37 CFR 1.121. Examiner cites claim 15 as not matching the text of previously filed claim 15; however, Applicants could not detect any difference in claim language. Applicants believe this may have been a typographical error in the notice, because the text of claim 14 did not match the text of previously filed claim 14. Therefore, claim 14, which has been marked "ORIGINAL" is now written exactly as originally filed, including the "a" in front of "shipping order handler class."

Withdrawal of the rejections and allowance of all pending claims is respectfully requested.

**CONCLUSION**

In view of the foregoing remarks and for various other reasons readily apparent, Applicants submit that all of the claims now present are allowable, and a Notice of Allowance is courteously solicited.

If any impediment to the allowance of the claims remains after consideration of this amendment, a telephone interview with the Examiner is hereby requested by the undersigned at (214) 939-8657 so that such issues may be resolved as expeditiously as possible.

No fee is believed to be due at this time. If any applicable fee or refund has been overlooked, the Commissioner is hereby authorized to charge any fee or credit any refund to the deposit account of Godwin Gruber, LLP, No. 50-0530.
